

YEAR IN REVIEW 2023

BostonOrganics.com

340 boxes of local produce delivered to community fridges in Roslindale, Charlestown, Cambridge, Newton, Somerville, and Watertown. That's up **250%** from 2022!

100% of our produce is USDA Certified organic and non-GMO

16,600 lbs produce composted with Black Earth Compost, diverting rejected produce from the land fill and turning it into nutrient-rich soil.

70% of our food related purchases stay within the community at independent businesses including local farms, suppliers, and artisanal producers.

FOOD FOR FREE

17,690 lbs produce donated to Food For Free for distribution to local communities in need.

We're all about **LOYALTY**

- **Customers:** 70% have been with us 2+ years and 45% over 5 years
- **Employees:** Over half have been with us 5+ years and a quarter over 10 years
- **Farmers and Suppliers** almost half we've worked with for 10+ years
- **LOYALTY REWARDS PROGRAM:** saved our customers over \$6000 last year!

50+ non-profits, schools, and organizations supported

Organizations like The Boston Public Library, East Boston Community Soup Kitchen, Homeless Empowerment Project, Minuteman Senior Services and Charlestown Nursery School

105 boxes donated during the holidays by the BO community

Thanks to our generous customers we gave 4000+lbs of produce from our network of local, organic farms to households experiencing food insecurity.

Grocery Add-On Items

Popular at Home

We added over **60** news items this year and now have **500+** organic produce and groceries that can be added to your order!
